

WHAT TO BRING TO THE CLOSING TABLE

Proper Identification:

Please make sure to bring a government issued photo ID (driver's license, passport, or military ID). The signature on the closing documents must match the name of that appears on your government issued documentation. If your name has changed prior to closing, please provide supporting documents.

Credited Funds:

If "cash to close" is required to fund the transaction, please either deliver a cashier's check 3 days prior to closing or wire funds to Destination Title after verifying the provided instructions. A cashier's check can cause a delay in funding if not provided 3 days prior to ensure the check is cleared prior to disbursement of funds.

Wire Instructions for Proceeds:

If you are receiving funds from settlement and you would like for Destination Title to wire the funds into an account matching the name on the transaction, please bring a voided check or have your wiring instructions readily available.
